

# Audlem Century 150

MW06

02/11/2021 [4]

A revised route for the Audlem Century but still calling at one of our favourite cyclists' cafes (The Old Priest House in Audlem), then via "Chumley" to Waverton. The return route goes through Church Minshull and Sandbach before attempting the ford at Somerford (use the foot bridge!) and Birtles.

**Section 1: 25km:** Sandy Lane on the outskirts of Congleton, may be closed for reconstruction as the new Congleton Bypass. I have not updated the GPX files, but see the route sheet for details of the work-around.

**Section 4: 15km:** There is a short bridleway section to cross the Dane Valley. This is followed by a ford after Swettenham (use the footbridge!), but the approach road has collapsed so take care.

For a successful validation, you must:

- enter at **www.delphcyclist.info/AudlemPerm.html** (don't worry about the ride date at this stage)
- register your ride date by texting **07931 911324** or emailing **mike@PeakAudax.co.uk** before you start
- visit all the controls listed below within the time limits - note that this is a non-mandatory route
- establish your "proof of passage" by
  - downloading the **eBrevet** - see **www.delphcyclist.info/eBrevet.html**
  - or recording a **GPS track** (must be .GPX format) showing you visited each Control Location
  - or collecting **till receipts** or ATM slips from anywhere at the Control Location
- completing **all** the details on your Brevet Card (name, address, ride date, control locations and times plus your signature) and returning to me within 14 days of your ride

**Controls:** The ride works best using the E-Brevet app or a GPX track to authenticate your ride. The route is advisory, but you should ensure that you pass within 1/2km of the locations below (indicated by Grid Reference and [what3words.com](http://what3words.com)). If you haven't access to the app or GPX you may still collect receipts from the various suggested locations.

**eBrevet:** Ride Code **MW06** (see [www.DelphCyclist.info/eBrevet.html](http://www.DelphCyclist.info/eBrevet.html) for customisation instructions to reverse the direction, start at any control, or start anywhere between controls).

<b>Dean Row</b>	The route sheet commences from the Petrol Station on A5102 (SJ 873 816) between Stockport and Wilmslow. Parking is available (at your own risk!) in the A5102 layby near the Deanwater Hotel (SJ 877 818, SK7 1RJ).
