

Wigley 200

The joys of riding through the Peak District are Manifold and apparently inspired the Elvis song "I Can't Help Falling in Love With You". Perhaps not. This is an eponymous Perm through the hamlet of Wigley to the Roman towns of Chesterfield, Rocester and Buxton, and taking in both the Manifold Trail and Dove Dale.

There are no 24/7 control facilities on Rocester so choose your start time accordingly. Better still, use the eBrevet app or record a GPX track to establish your Proof of Passage.

Section 3: 13km: You use the Manifold Trail between Waterhouses and Hulme End, so make sure your GPS device guides you the right way.

For a successful validation, you must:

- enter at **www.delphcyclist.info/WigleyPerm.html** (don't worry about the ride date at this stage)
- register your ride date by texting **07931 911324** or emailing **mike@PeakAudax.co.uk** before you start
- visit all the controls listed below within the time limits - note that this is a non-mandatory route
- establish your "proof of passage" by
 - downloading the [eBrevet](#) - see **www.delphcyclist.info/eBrevet.html**
 - or recording a [GPS track](#) (must be .GPX format) showing you visited each Control Location
 - or collecting [till receipts](#) or ATM slips from anywhere at the Control Location
- completing [all](#) the details on your Brevet Card (name, address, ride date, control locations and times plus your signature) and returning to me within 14 days of your ride

Controls: The ride works best using the E-Brevet app or a GPX track to authenticate your ride. The route is advisory, but you should ensure that you pass within ½km of the locations below (indicated by Grid Reference and what3words.com). If you haven't access to the app or GPX you may still collect receipts from the various suggested locations.

eBrevet: Ride Code **MW36** (see www.DelphCyclist.info/eBrevet.html for customisation instructions to reverse the direction, start at any control, or start anywhere between controls).
