Budworths 100 📱

MW45

13/04/2023 [4]

The Perm version of the Calendar event from Poynton to Great and Little Budworth. The route can be ridden in either direction, and you should choose a start time and direction that will enable you to stop at your choice of cafés.

For a successful validation, you must:

- enter at **www.delphcyclist.info/BudworthsPerm.html** (don't worry about the ride date at this stage)
- register your ride date by texting **07931 911324** or emailing **mike@PeakAudax.co.uk** before you start
- visit all the controls listed below within the time limits - note that this is a non-mandatory route
- establish your "proof of passage" by
  - downloading the eBrevet - see **www.delphcyclist.info/eBrevet.html**
  - or recording a GPS track (must be .GPX format) showing you visited each Control Location
  - or collecting till receipts or ATM slips from anywhere at the Control Location
- completing all the details on your Brevet Card (name, address, ride date, control locations and times plus your signature) and returning to me within 14 days of your ride

Controls: The ride works best using the E-Brevet app or a GPX track to authenticate your ride. The route is advisory, but you should ensure that you pass within ½km of the locations below (indicated by Grid Reference and *what3words.com*). If you haven't access to the app or GPX you may still collect receipts from the various suggested locations.

eBrevet: Ride Code **MW45** (see *www.DelphCyclist.info/eBrevet.html* for customisation instructions to reverse the direction, start at any control, or start anywhere between controls).
