start

This is the <u>eastbound</u> version of the **Llanfairpwllgwyngyllgogerychwyrndrobwllllantysiliogogogoch 200.** Note that it is a one-way ride so you will end up 200km away from where you started! See the separate route sheet/GPX files to ride the **Holyhead- Poynton 200**.

The route avoids the A55 North Wales Expressway by using the various minor roads and some excellent cycle paths. For a successful validation, you must:

- enter at **www.delphcyclist.info/Llan200Perm.html** (don't worry about the ride date at this stage)
- register your ride date by texting 07931 911324 or emailing mike@PeakAudax.co.uk before you
- visit all the controls listed below within the time limits note that this is a non-mandatory route
- establish your "proof of passage" by
 - downloading the <u>eBrevet</u> see **www.delphcyclist.info/eBrevet.html**
 - or recording a GPS track (must be .GPX format) showing you visited each Control Location
 - or collecting till receipts or ATM slips from anywhere at the Control Location
- completing <u>all</u> the details on your Brevet Card (name, address, ride date, control locations and times plus your signature) and returning to me within 14 days of your ride
- **Controls:** The ride works best using the E-Brevet app or a GPX track to authenticate your ride. The route is advisory, but you should ensure that you pass within ½km of the locations below (indicated by Grid Reference and <u>what3words.com</u>). If you haven't access to the app or GPX you may still collect receipts from the various suggested locations.
